The American Autonomic Society has been established to bring together individuals from diverse disciplines who share an interest in the structure and function of the autonomic nervous system and in the pathology, treatment, and prevention of its disorders. The Society will sponsor annual meetings and provide a point of contact among the many interested clinical and basic scientists who wish to communicate across disciplinary lines. It is hoped that the Society can provide members with advice and support in identifying and obtaining research support.

- \$300 Regular Membership
 \$175 New Investigator Membership (0-5 years after training)
 \$175 Allied Health Membership
 \$125 Trainee Membership (attach verification of training status)

Dues are for the **calendar** year and will entitle you to a subscription to *Clinical Autonomic Research*. In addition, registration fees for the Society's annual meeting will be greatly reduced for members. To join, please fill out the form below and return with payment to:
